DESIRE THE BEAUTY OF BEING LIKE A HOLY GOD

Church Family Prayers

"... as he who called you is holy, so be holy in all your conduct" (1 Peter 1:15)

O Holy God, You do not share any of our limitations or weaknesses. You know all, always love, are always wise, have all power and are always present everywhere! You are holy. You are also perfectly morally pure and righteous. So may be in awe of You, admire you, praise You!

Loving Holy Father, through Your love in Christ, You have made us Your holy people. Sin is no longer our master, You have transformed our hearts, given us the Holy Spirit and your gospel. We thank you that we have been set apart from sin for you; you have sanctified us. So, we pray that we would live as your holy people in all of our lives: every day and in every way.

Gracious God, we thank you for Truth Experienced, and ask that multiple people will do it next Term. May each of us be keen to know how to live out the Christian life in practice. Thank you that Truth Experienced is a great help for that. May we be keen to learn more of how to glorify You with our lives. Help us to seize each day as an opportunity to love, to serve, to know and grow in Christ.

Lord, we thank you for Bush Church Aid, and for all of the gospel ministry they do in remote, rural and regional areas of Australia. Thank you for the many people who support BCA via the money boxes. May many of us TGS people raise significant sums of money each year to help BCA minister your love in Christ around Australia.

Heavenly Father, we thank you for school holidays, and pray that it is being a great and refreshing break for both students and staff. We also thank you for the break that some ministries are having, and pray that this helps refresh both the leaders and participants.

Our wise God, we know that as the end of school gets closer and then comes Christmas and 2021, and more of us plan for these things, we pray that this year has reminded or taught us to plan knowing that our plans might not come about. We ask that you help us remember just how powerless we ultimately are, and how much we are affected by things outside our control. But may this not cause us to be anxious, but humble and reliant upon Your unchanging love for us in Jesus. You are our Rock in changing times.

Father, we continue to pray for healing for various people. We pray for Fay, David, Stephen, Gloria, Monica and others known to us. We pray for this and all these things, thankful that You hear our prayers, in Jesus' name, Amen.
